

## **Environmental Policy**

### **Toshiba Medical Systems UK Ltd**

Toshiba Medical Systems UK Ltd operates under guidelines (including environmental) set out in Corporate Standards of Conduct (CSC) issued by Toshiba Medical Systems Corporation in Japan.

In Keeping with the CSC our aim is to implement and maintain an Environmental Management System (EMS) that meets:

1. Our business needs
2. The requirements of ISO14001: 2004

The company will meet all current UK Environmental Legislation related to its business operations and ensure it meets future legislation when required.

The company will also on a continual improvement basis reduce its impact on the environment by increasing our environmental performance, by setting measurable environmental improvement objectives aimed at either:-

1. Prevention (Elimination of environmental unfriendly activity)
2. Reduction (Reduce the use /effect of company activity)
3. Recycling (Recycling of waste where possible)

All Staff will be made aware of our:-

1. Corporate Environmental Values
2. Environmental Policy
3. The company's EMS and their responsibilities within it.
